**Summer 2016**

Beautifully refined and stately national monuments, Bernard Magrez Luxury Wine Experience's **Château Fombrauge** and **Château Pape Clément** make idyllic locations to mark a couple's most memorable day. Located within easy reach of the UNESCO-registered, white stone-hewn city, *Bordeaux*, known as 'La Perle d'Aquitaine' (Pearl of Aquitaine), both castles are as renowned for the quality of their hospitality as for the finesse of their wines.

The wedding experience is crafted by the composer of wines, Bernard Magrez, the only owner in the world of four Grands Crus Classés. The happy couple will be able to enjoy the majesty of a fairy-tale atmosphere at the Château Pape Clément or the graceful charm of the countryside at Château Fombrauge. The two Châteaux can welcome up-to 150 guests, and promise to attend each guest's needs by a highly-qualified team. The couple will also have their own dedicated wedding coordinator, to ensure that their day is a magical experience.

Bernard Magrez can also offer his private chauffeur-driven Rolls Royce or a Bentley to guarantee that the bride-to-be is transported through the imposing estate gates in dignity and style. The couple will be treated to guided cellar tours of each property prior to the aperitif, and of course, be able to enjoy Bernard Magrez's much celebrated range of wines, poured from beautifully crafted crystal decanters.

A memorable moment to share with friends and family. Prices available on requests.
